Bachelor's dissertation Master's dissertation Doctoral thesis _____

Provisional topic

Responsible supervisor
Any other persons involved in the work

The author of the work and the University of Greifswald are signing the following agreement to clarify copyright issues relating to the work:

The Author and the University are equally entitled to use and exploit the piece of written work. The Author grants the University of Greifswald the non-exclusive, temporally and spatially unrestricted right to exploit the piece of written work and its results (written part, research data, programme source codes, measurement protocols, etc.). A separate agreement shall be concluded in the case of an invention. This previous agreement shall also apply mutatis mutandis to the responsible supervisor.

The publication/dissemination of the piece of written work and its results may be carried out in whole or in part by the University of Greifswald, the supervisor and the Author

- without restriction
- only by mutual agreement
- only with the exception of those parts expressly excluded in the attached supplementary agreement
- only after _____.

The publication of the summary of the piece of written work (abstract) is always possible without restriction.

Special arrangements:

(especially in the context of ethical guidelines, data protection, archiving guidelines, collaboratively collected data)
