Bachelor's dissertation Master's dissertation Doctoral thesis _____

Provisional topic

Responsible supervisor
Any other persons involved in the piece of written work

The author of the work and the University of Greifswald are signing the following agreement to clarify copyright issues relating to the piece of written work:

All rights remain with the Author. The University of Greifswald may reproduce the work. The University of Greifswald shall receive the documents (addressed to the responsible supervisor) that were created during the research project (written part, hardware, research data, programme source codes, measurement protocols, etc.) for use for its own scientific (non-commercial) purposes in research and teaching. All other exploitation rights of the Author remain unaffected.

The publication/dissemination of the piece of written work and its results may be carried out in whole or in part by the University of Greifswald, the supervisor and the Author

- without restriction
- only following mutual agreement
- only with the exception of those parts expressly excluded in the attached additional agreement
- only after _____.

The publication of the summary of the piece of written work (abstract) is always possible without restriction.

Special arrangements:

(especially in the context of ethical guidelines, data protection, archiving guidelines, collaboratively collected data)
